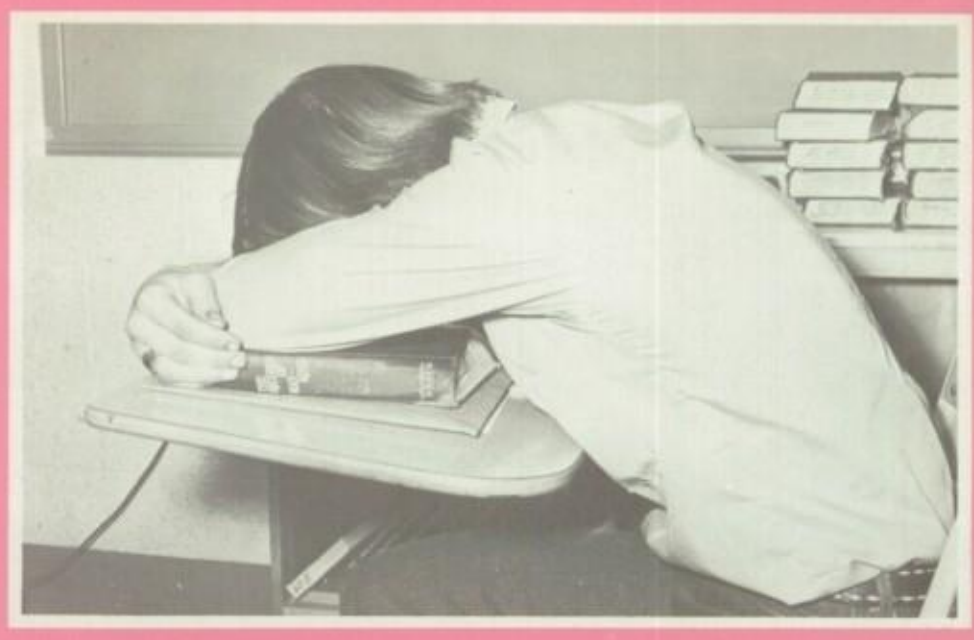
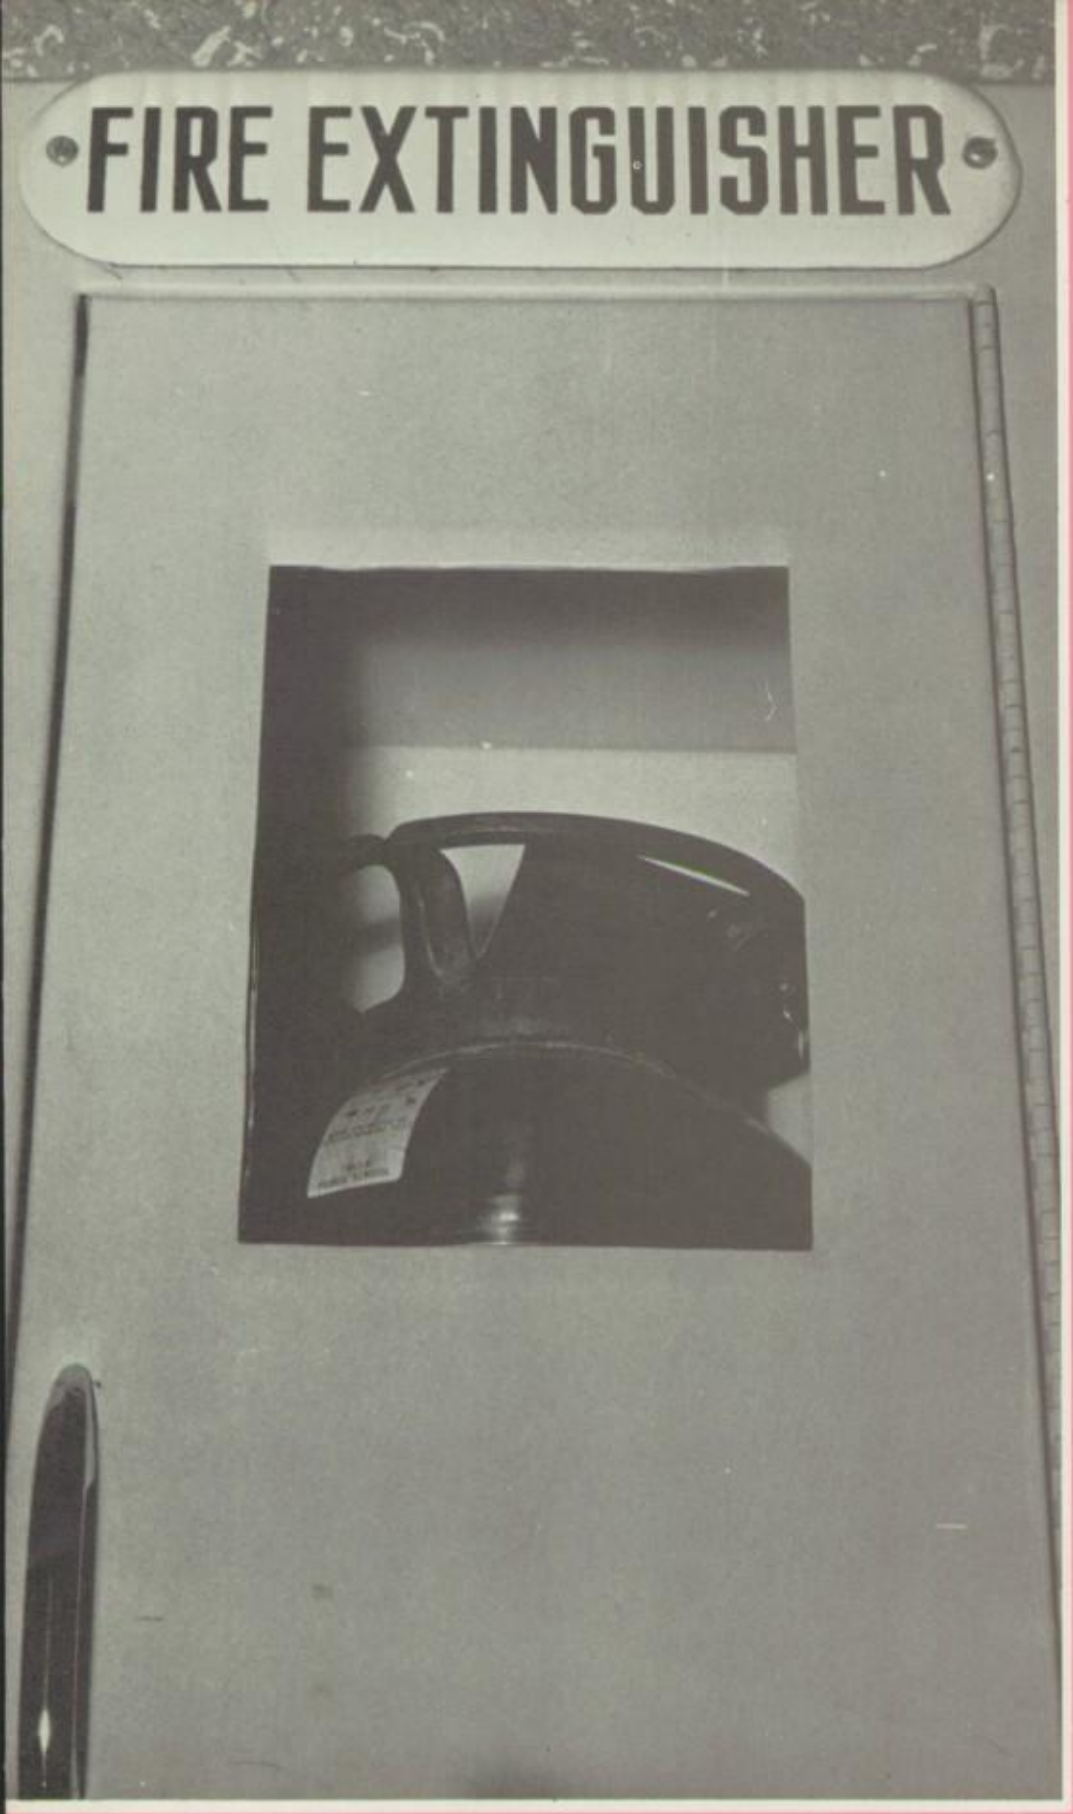
THE 1971 HIGHLANDER
Tulsa McLain High School
Tulsa, Oklahoma

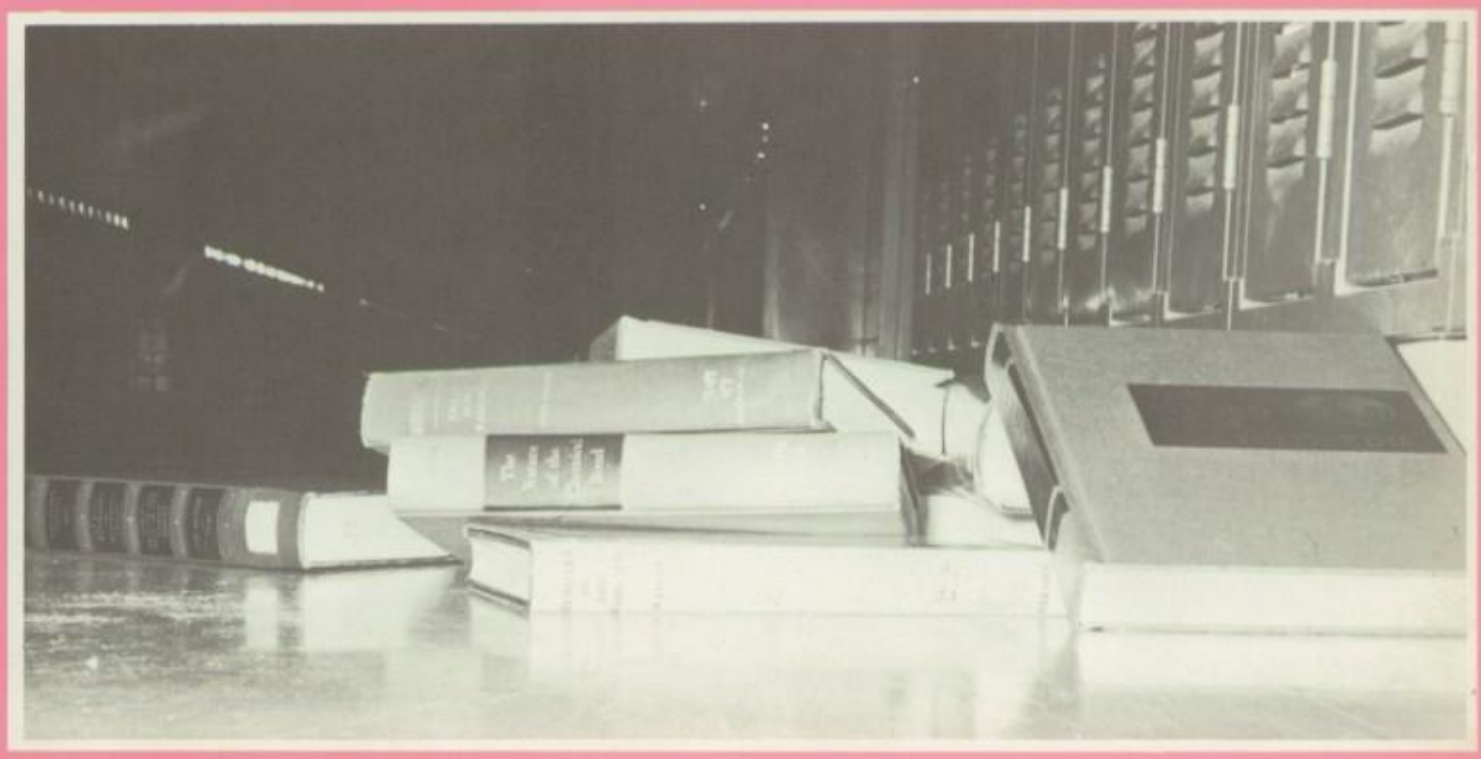
I Dreamed

a dream once . . .





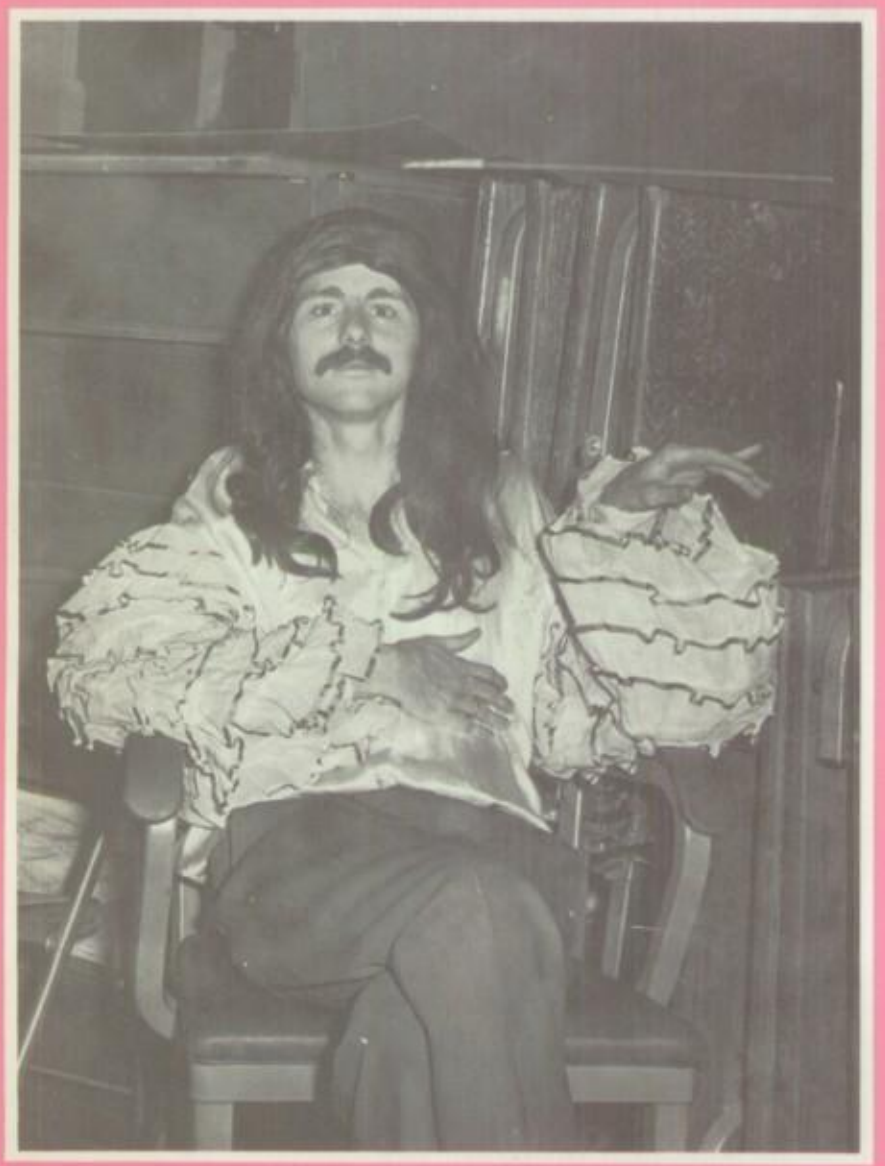
A frustrating.
heart ripping
illusion.



I was alive as were the
people around me.

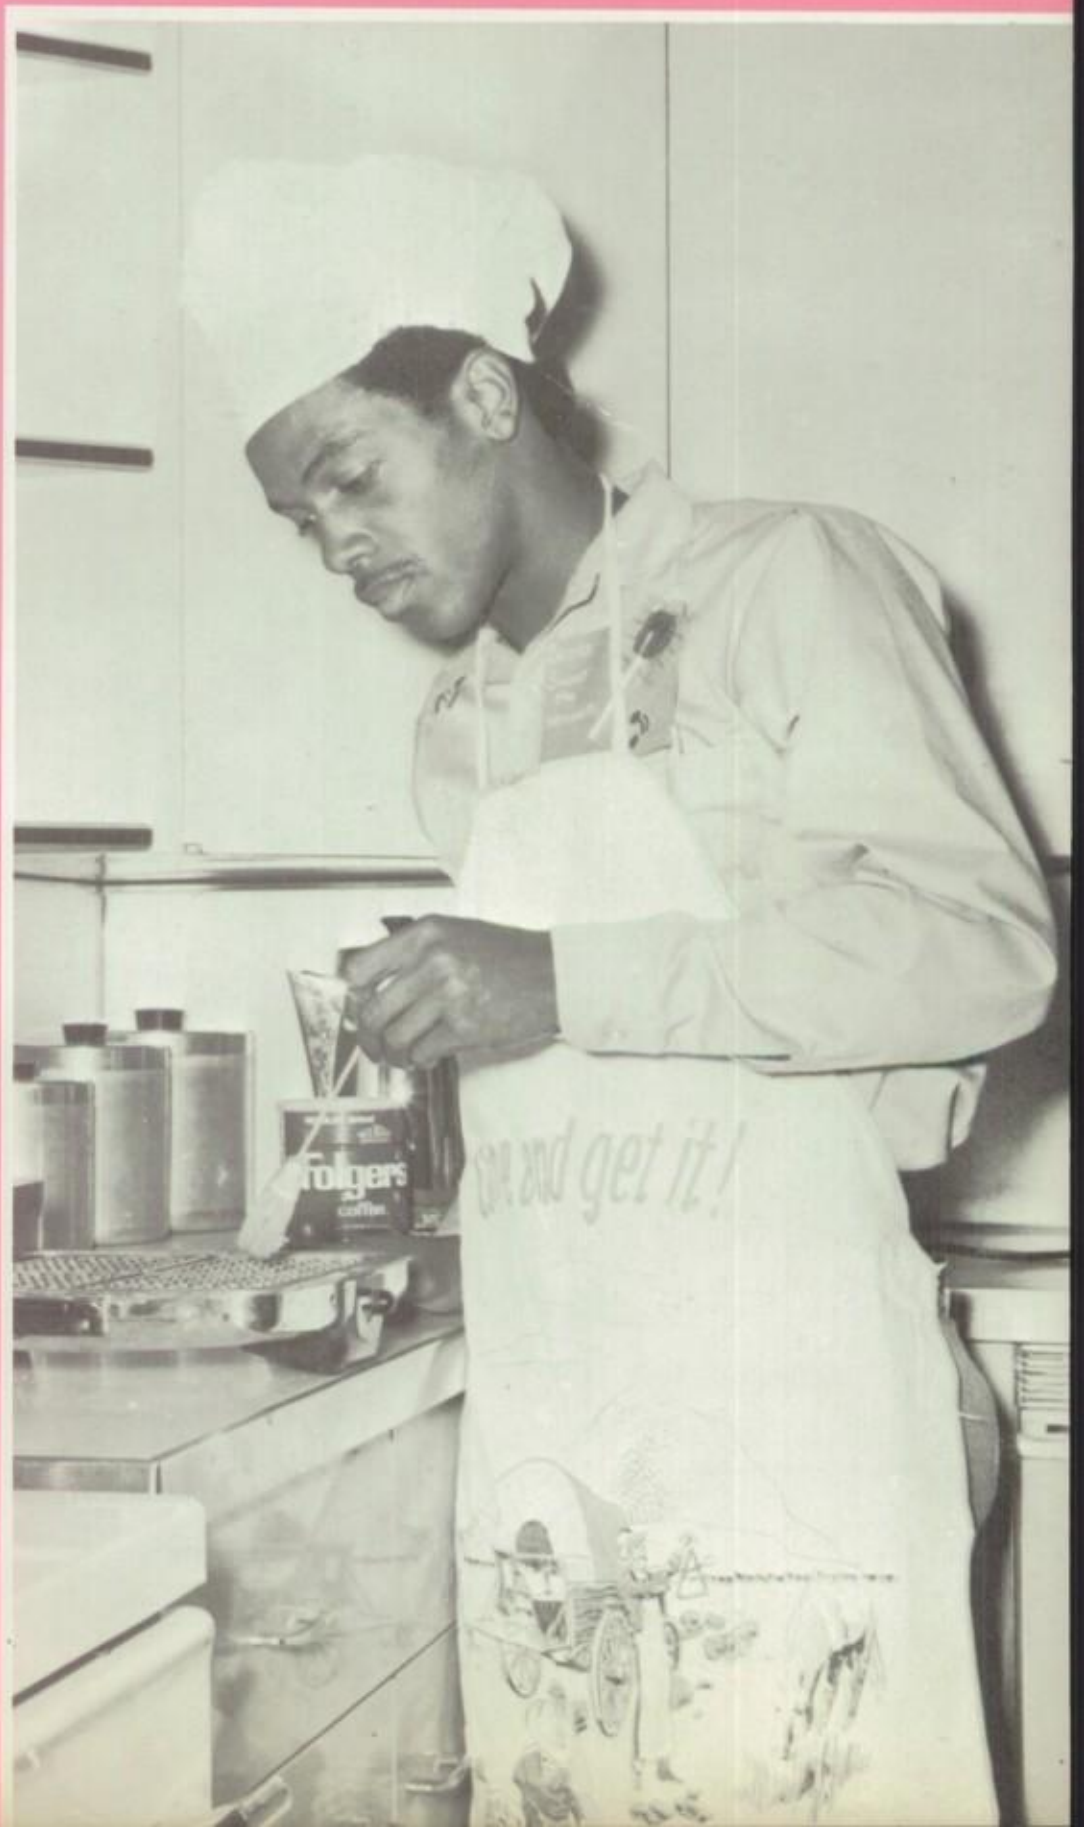
Everyone was laughing,
as was I.

Tears had ceased.



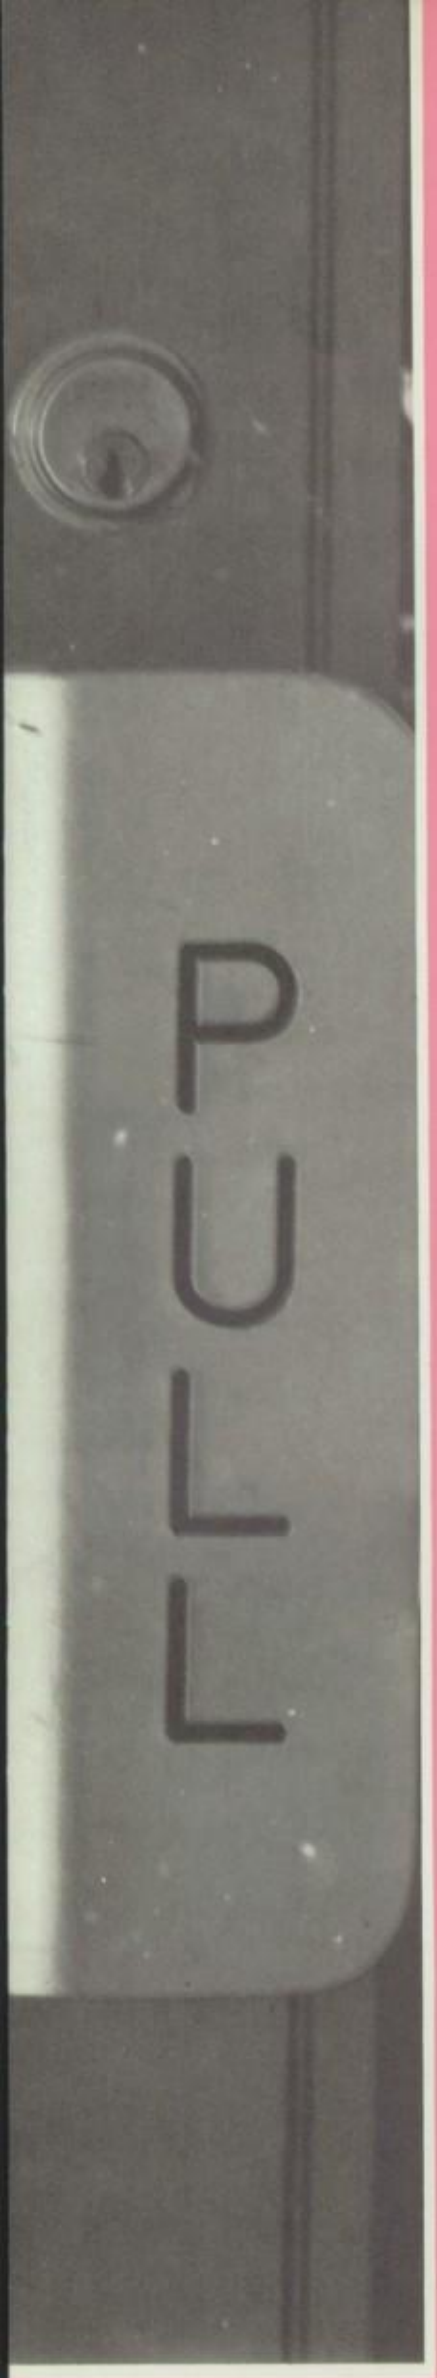
All hands were joined

Contrasting colors made
the beauty;



Hate was no longer.

Together we prayed to one living God —
We prayed one prayer; as one united people.



And I Believed

The Board Of Education

The Tulsa Board of Education is composed of many important members, whose duties are to determine and carry out the different school policies.

The Board is under the direction of Gordon Cawelti. Though this is only Dr. Cawelti's second year on the Board, he has proved worthy of this high honor. Dr. Cawelti has shown that he is for the youth of the greater Tulsa area.

Journalism

The main reason for a journalism course in the high school is to give students the chance to write, and publish information concerning their school. A secondary purpose is to create an interest in writing as a means of expression.

The staff for **School Life** at McLain succeeded in writing and covering more school news than ever before in McLain's history. With enthusiasm and personal interest, this staff is proud to have been able to record the events at our school.

You Can't Take It With You

The Senior class play "YOU CAN'T TAKE IT WITH YOU," was performed by some of the most talented actors at McLain. The play was directed by Mrs. Cora MacDonald, and student director Kathy Kelloge.

The cast worked together as a whole and each one portrayed his character as authentically and imaginatively as possible. Most of the actors have participated in different plays through their years here at McLain.

One of the most important things that make a play go over is when the cast is able to really work together. The cast of eighteen worked very hard in their spare time, in between studies, after school, and between working hours.

Why Not Join The GiraFFes??

The Junior Class play "Why Not Join the Giraffes?" was directed by Mr. Steven Oakley, and student director Carol Housewright, with special cooperation from Senior student director George Newton.

This contemporary play was about a rock singing group called the Giraffes. Adding humor, romance, and adventure, it was a very delightful and entertaining presentation. Both the cast members and those behind the scenes worked very hard to live up to McLain's tradition of great class plays.

The cast includes: Ardelle Wermuth as Suzie Henderson, Cheri Sturgeon as Natalie Goldman, Helene Henderson played by Jayme Hatfield, and John Henderson played by Darrell Rubert, Sam Henderson was played by Bill Zowdrow, Melanie Seaton as Zigorna, Ralph Chesney played by Claron McQueen, Mrs. Chesney by Donna Newton, Mrs. Scanlon by Pat McCollam, Yak was played by Clyde Moore and The Beast by Mike Dale.

"Deadwood Dick"

The sophomore play, "Deadwood Dick," has been publicized as a rootin', tootin', melodrama of the gay 90's, and contains all the elements that make these blood-and-thunder melodramas so hilarious: long-lost daughters, stolen gold mines, kidnapped heroines, black-hearted villains, and hairbreadth escapes. Written by Tom Taggart and based on the dime novels of Edward L. Wheeler, it is presented in three acts with the use of only one setting throughout the entire play.

The setting is that of Deadwood Gulch during the Gold Rush Days, with the scenes taking place in Calamity Jane's Man Trap Saloon. Calamity is the type of Gay 90's woman personified by Mae West.

Mc LAIN WEEK

Colorful costumes, gaiety, and laughter filled McLain's halls during McLain Week, March 22 through 26, sponsored by the Student Council. Many homerooms paid a $1 entry fee and were judged on the quantity and quality of their participants in the week's activities.

Monday — Mardi Gras Day — found many Scots in a wide variety of costumes, from clowns to gypsies, Raggedy Ann to Batman.

Tuesday — Class Colors Day — loyal Scots wore the colors of their class: seniors — blue and gold, juniors — wine and silver, and sophomores — blue and silver.

Wednesday — Love Day — was a huge success as most students and teachers dressed as hippies, complete with sandals, beads, and long hair.

The highlight of the week was Friday, McLain Day, on which the school's namesake, General Raymond S. McLain is remembered and honored. Student Council President Steve Echohawk was master of ceremonies for the McLain Day Assembly. Rev. Bob Green gave the invocation, followed by brief messages from McLain's former principals Mr. Carl McCafferty and Mr. Kenneth Bays, and Principal Joe Gibson. The main speaker was the Rev. Doug Manning. The assembly concluded with a slide presentation, "I Am McLain High School," presented by Miss McLain XII, Luann Foster. Scots danced to music provided by "Revolution" at the McLain Day Dance.

Homeroom winners in the week's competition were Rackleff (first), Looper (second), and Green (third).

Get Your Gun

"Annie, Get Your Gun," by Irving Berlin, a bright, happy, colorful, and exciting stage production was presented at McLain in two evening and one matinee performances.

Annie Oakley, a gentle backwoods girl from Ohio, joins a Wild West show as a shooter. Frank Butler is also a famous marksman, but not quite as good as Annie. However, he is also quite a ladies' man, so Annie finds out that falling in love can be both wonderful and terrible.

Although Frank loves her too, he is too proud to admit that she is a better shot than he is.

Finally with the help of Chief Sitting Bull, who had adopted her into the Sioux tribe, Annie learns that "You Can't Get A Man With A Gun" and concedes that Frank is a better shot.

Scots Have Tough Season

Scots began the season with great enthusiasm in their first game win over Webster, 13 to 6. The Scots, however, submitted to a season of disappointing defeats and one tie with Bartlesville College.

With 25 of this year's Varsity players returning next year, hope is again high for the coming season.

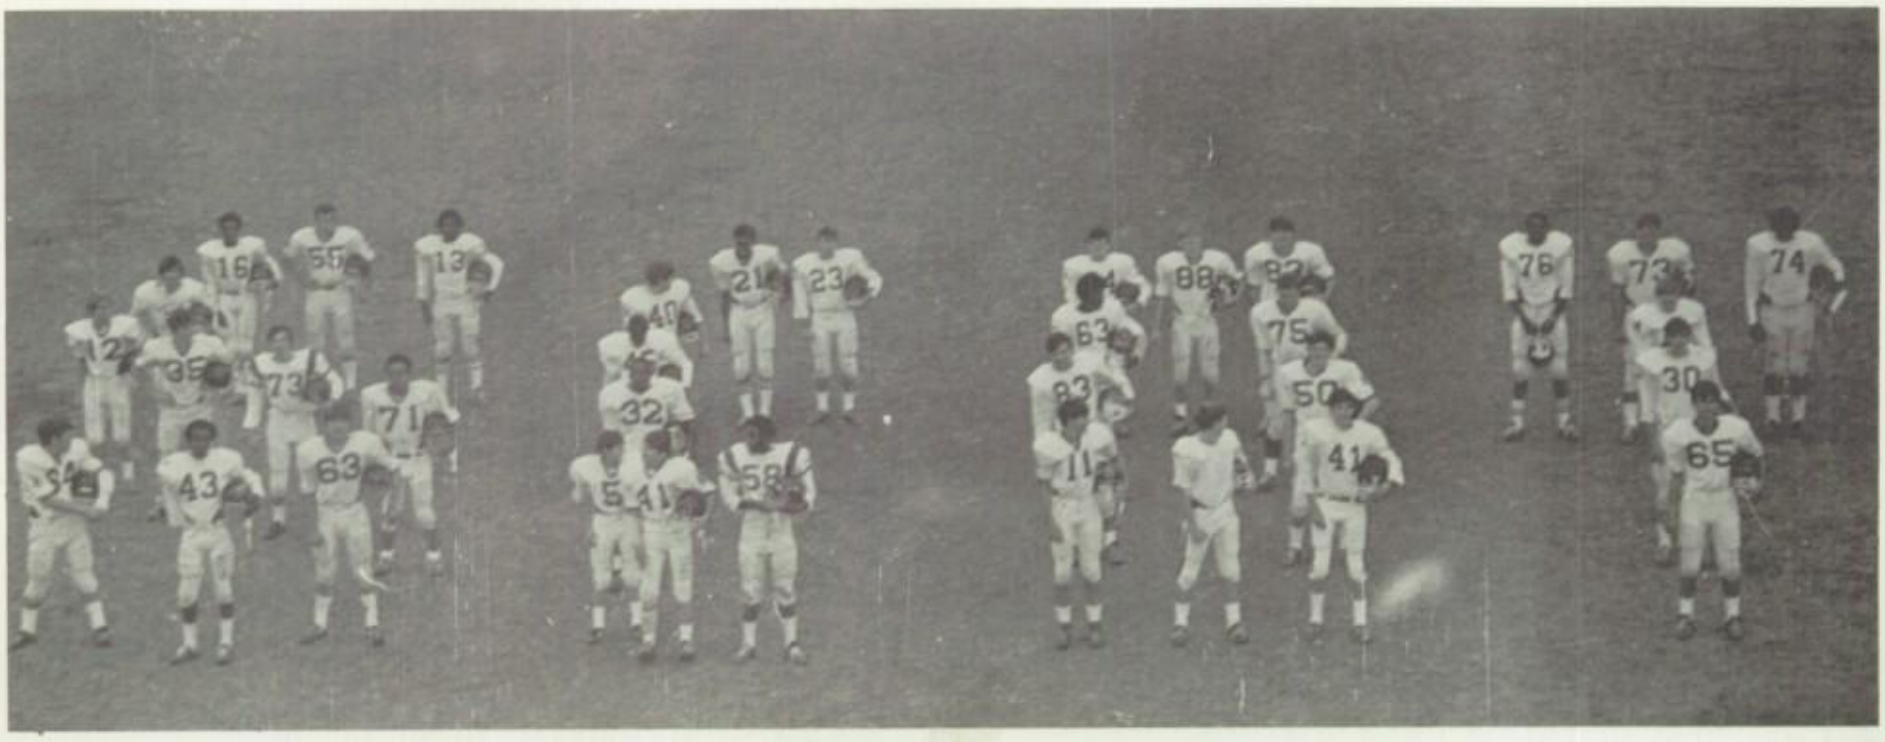
Junior Varsity



The Junior Varsity football team did a very good job this year. They encountered several problems during the year, but a lot of hard work and determination by the boys and coaches corrected these problems, and helped the junior varsity team to finish the season with a record of five wins and four losses.

Our Scots cross-country team completed their most successful season November 7th when they defeated runner-up Norman High School for the state championship. This completed a season that began in September with a second place finish in the McLain Invitational and a 4th place finish a week later in the Tallequah Invitational. McLain again took 4th place in the Edison Invitational but started rolling toward the state championship when our Scots captured 1st place in the Will Rogers Invitational and a week later ended up on top again with a victory at the O.S.U. Invitational in Stillwater.

In the Conference meet we placed second after a "hard fought battle" with the Edison Eagles. Although defeated for the conference championship, our Scots bounced back and clinched McLain's first state cross country championship.

Basketball Team Takes Sixth In Conference

The 1970-1971 basketball team got off to a good start by winning four of its first five games.

However, due to unforeseen circumstances, the scores went downhill as the team started a losing streak that did not subside until nearly the end of the season.

This bad luck left McLain with a record of 6 wins and 15 losses, which placed the Scots sixth in the conference.

Wrestlers Have Challenging Season

Even though McLain's Fighting Scott Grapplers were the most inexperienced in the conference, they seemed to always make up for this lack in hard work and desire. As a result of key falls and come-from-behind victories by some very promising sophomores, the Scott Grapplers were able to finish with a 3-1-1 conference record, which netted them the runner-up position in the Oklahoma Six Conference.

Coach John Nix feels that his young team picked up some very valuable experience and have a very good chance of winning the conference title next year.

Swimmers Have Fair Season

The McLain swim team completed a fair season with a record of four wins and eight losses. They finished fourth in the Oklahoma Six Conference, and sixth in the All-City Meet, and in the State Meet McLain finished nineteenth.

Although they would like to have done better, they feel justly rewarded for the time and effort they put forth.

Tennis Team Has Poor Season

Row 1: David Maxwell, Gary Rothkahr, David Weakley, Tom Bails, Stan Lindley. **Row 2:** Coach Nix, Rusty McDaniels, Bil Wright, Clay Cochran, Steve Mathews, Bill Johnson.

The 1971 Tennis Team had a very poor season. The young team was very inexperienced and not quite ready to meet the strong competition of their conference.

Coach John Nix hopes, however, that they gained enough experience this year to help them do better next year.

Track Team Had Good Season

Coach Archer

Dennis Davis
STATE CHAMPION

The track team came out of a rebuilding year with a very good look to the future. With good over-all team effort during the year, the track team ended the season as runner-up in each of the last three meets. The following senior individuals were greatly responsible for this: Dennis Davis won the State Championship in Pole Vault, Arthur Ezell won 2nd in State High Jump, Frank Spengler, Charles Lee, John Biree, Darrell Jacobs, Merle Fowler, Jerry Fields, and Greg Mack.

The future of McLain Track Team is outstanding in fact, as the juniors and sophomores are "trackwise" the best group we've ever had at McLain.

Baseball Has Discouraging Season

The 1971 baseball season ended with the Scots having a 16-10 record. The team suffered key injuries in the middle of the season and never fully recovered. The season was ended in the semi-finals of the Regional Tournament, as Hale won 4-3. Highlight of the year came when McLain swept the East-West Tournament with a 4-0 record.

Richard Rogers was All-City, Conference, and State player. Dave Bennett was All-City player. Steve Echohawk was Conference player. Tom Tyner and Marvin Rogers were All Conference players.

Coach Leon Cox ended the 1971 season and also his position as coach at McLain. Coach Cox leaves McLain with a baseball record of 139 wins and only 32 losses.

TAYLOR PUBLISHING COMPANY
"The World's Best Yearbooks Are Taylor-made"

Deb!

Well- it's over at last — now what are we gonna do?! I can't believe all the things we've been through this year (& this summer) and we've still come out on top. Amazing... You're a great friend and a beautiful person Deb, and your sense of humor is a great asset to you. (Hey maybe we should just turn into full-time ~~Debbie~~ detectives! That would be far out. But we're both so cool that anything we do will be far out.

Love,

Debie

{These were ugly yearbooks!}
